

20th LEGISLATIVE DISTRICT

Senator
John Braun

This guide to government provides information on how to contact federal, state and local government offices and services.

2015

Government Guide

Dear friends and neighbors,

Welcome to the 2015 Government Guide for the 20th Legislative District. This guide was created to help you, the citizens of the 20th District, feel more in touch with your federal, state and local governments.

This list of addresses and telephone numbers will be helpful in determining the proper person or office to contact with your questions or concerns. This guide is not exhaustive but I've included some of the most helpful information.

Staying connected to your government is important. The coming legislative session will be challenging as we face significant pressures to meet our state's obligation to fully fund basic education and address other priorities like transportation and growing our state's economy.

My goals for this session remain consistent with previous years. We need to make sure we have a sustainable budget that puts people over politics and reforms the way our state conducts business. I'm focusing on improving our state's education system and creating a better business climate where entrepreneurs can create jobs and grow our state and local economies.

We have been able to bring significant change to our state by prioritizing jobs, education and a balanced budget. With your help we can do that again this year.

I take great pride in the 20th District and am honored to represent your views in Olympia. Please contact me with any questions or concerns you have about the State Legislature and any legislation we are considering.

Sincerely,

Sen. John Braun
20th District
